1. **Purpose**

1.1 This document sets out the Terms of Reference for the Rotherham Local Safeguarding Children Board (RLSCB), Practice Review Group. It replaces previous documents entitled Terms of Reference.

2. **Responsibilities**

The Practice Review Group will:

2.1 Monitor practice standards in relation to compliance with RLSCB safeguarding and child protection procedures.

2.2 Review specific cases referred to the group where the following criteria are met:

- Cases that give cause for concern in terms of the safeguarding of a child from significant harm where there is, or has been multi-agency involvement, but where the full criteria for an SCR have clearly not been met.

- If, upon initial review, there is a consensus that a Serious Case Review might be indicated, the case will be referred to the Serious Case Review Sub Group.

- Formal dissent relating to the outcome of a Child Protection Conference is submitted in writing by a professional or agency represented at the conference.

- The Child Protection Conference Chair, in their professional opinion, believes that a decision made at the Child Protection Conference is incorrect and, for example, may place children or young people at risk of significant harm. This will be submitted in writing to the group identifying the areas of concern.

2.3 Provide timely and focussed feedback and recommendations to agencies and professionals, including Child Protection Conference Chairs, on cases reviewed by the group.

2.4 Monitor specific actions against recommendations where appropriate, and escalate these to relevant agencies / officers when required.
2.5 Evaluate other aspects of multi-agency work across the continuum of need that give rise for concern or are recognised as good or outstanding practice and where this is submitted in writing, the group will set out the area to be considered.

2.6 Undertake relevant enquiries within agencies where necessary to fulfil the responsibilities of the group.

2.7 Report findings, themes and trends and make recommendations for improvements to practice to the RLSCB Performance & Quality Assurance Sub Group and the Learning & Improvement Subgroup on a quarterly basis.

2.8 The Chair and Vice Chair will ensure that membership is representative of the statutory and voluntary agencies that are involved in working directly or indirectly with children. Attendance will be monitored and reported upon regularly.
